

Bridger-Teton National Forest Grand Teton National Park

Pre-Announcement Outreach Teton Interagency Helitack

**GS-462-08 Assistant Helitack Supervisor
12/7/15**

The **Teton Interagency Fire Management Program** is planning to fill an Assistant Helitack Supervisor position in the near future. The Vacancy Announcement and application portal will be posted on the Federal Government's official jobs site (www.usajobs.gov). This is a permanent position (GS-0462-08) located in Jackson, Wyoming at the Teton Interagency Helibase. It will be hired through Grand Teton National Park and is expected to be funded for 18 payperiods per year. Additional information regarding the helitack program can be found at the Teton Fires website:

www.tetonfires.com

This is an initial outreach and the job announcement is expected to be posted on USAJOBS in the next 10-14 days.

THE POSITION:

The program is interagency in its composition and mission. In addition to fire management the program provides search/rescue and project services directly to the Bridger Teton Forest and Grand Teton Park. Search and rescue missions also occur in support of area county Sheriff's Offices. Personnel and aircraft are regularly dispatched off-area when not required by local staffing. Teton Helitack formally initiated a short-haul program in 2015 and is planning to sustain that program element into the future.

The position serves as one of three GS-08 Assistant Supervisors for a 20-24 person module with two exclusive use Type 3 helicopters based at the Teton Interagency Helibase. The Teton Interagency Helitack program has earned a quality reputation for professionalism and high standards. We are looking for a highly motivated individual with the experience and attitude to build upon the success of the current program.

Housing may be available for this position in Moose or Jackson, Wyoming.
